THE DUCKLING DIFFERENCE

We do all we can to provide your child with the best start possible at the Duckling Nursery. The government funding is intended to cover the cost to deliver 15 or 30 hours per week of funded high quality, flexible childcare. It is not intended to cover the cost of food, consumables, additional hours, or additional services. We ask for a small contribution per funded session to cover the following:

Food:

Snacks, tea (charged in relevant sessions) and ingredients for cooking and our sensory food education program.

Care and comfort:

all we need to keep your child clean and comfortable (including nappies), suncream, Duckling Nursery bags, name tags, subsidy for uniform and more.

additional services:

Tapestry learning journal, specialist tuition, subsidy for trips, christmas party, leavers lunch, parent/carer mornings and more.

Paying for consumables is not a condition of you taking up the offer of funded hours. If needed, please speak to us and we can devise an alternative personalised agreement to suit your needs which could include providing own snacks, suncream etc. We ensure that all children receive the same high-quality care and education, whatever their circumstances. As we assess the impact of the new 2 year old funding, we won't be charging the Duckling Difference for 1 and 2 year olds.

CHILDCARE SUPPORT

At the duckling nursery, we offer government funded hours to support every child to have the opportunity to access affordable, quality childcare. You will be able to access either 15 or 30 funded hours each week. We offer additional non-funded hours for those who need it.
